2009

Sammamish Learning Center

IMPORTANT DATES:

Parent Helper Days: 9 & 10
SLC Shirt Day: 9 & 10
No Lunch: 16—Staff Meeting
Closed for Winter Break: Dec. 21—Jan. 1
School Resumes Jan. 4

Registration 2010

Registration for Fall 2010 enrollment will begin in January. Registration packets will be sent home on January 4th & 5th. Packets will not be sent home with Desert Room students. If anyone needs a sibling packet, please call the office to request one. Completed packets must be returned by Wednesday, January 13th. We will not be numbering the packets as they are returned, therefore there will be no need to stand in line. Returning the packets in your child's folder will be sufficient. If you will be out of town, you need to make arrangements to have someone pick up and drop off your packets. Registration checks should be attached to your packets.

Returning Student: \$100 family registration fee (tuition deposit from 09-10 rolls over)

Returning Student plus a sibling: \$200; (\$100 tuition deposit new student, \$100 family fee)

50/50 Referral Program

Family and friends of SLC, thank you for your past and ongoing support. We remain committed to providing our students the most enriching preschool experience available. Managing enrollment levels, attracting high caliber staff and maintaining our NAEYC accreditation make this possible.

We are offering the following 50/50 referral program to ensure our continued full enrollment.

- Refer a new student to SLC and receive a 50.00 VI SA cash card.
- The new student will receive a \$50.00 discount off their registration fee.
- Both the new and referring student receive a 50% credit towards June 2010 tuition.

Weather Updates !!

Adverse weather and road conditions may force school delays or closures that may differ from the local school districts. Please call Sammamish Learning Center for daily information. Any scheduling changes will be available on our phone message.

Arrival/Dismissal

We are working on timely arrival and dismissal.

You can help us by-

1. Having children stay buckled in car seats until teachers unbuckle.
2. Refraining from cell use.
3. Driving on top of arrows for safety by allowing more cars in the driveway.
4. Having school items organized and ready to go.
5. Please be on time. :)
