YOGA MOTION:

Give your boys and girls the opportunity to explore their creative and physical sides through yoga! Children improve focus, balance, inner peace, strength, self-esteem, and gross motor and loco motor skills through yoga. Starts on Wed., Nov. 9. See email "Yoga in Motion" sent Thurs., Oct. 27.

EARTHQUAKE/DISASTER DRILL:

We will be conducting earthquake/disaster drills this month. We talk to the children about the safe areas at school, following directions, acting calmly and the importance of practicing for safety reasons. Please take a few minutes to talk with your children about safe places in your own home.

THANK YOU!

*Thank you Sarah Derstadt (Sadye) for managing our book orders.

*Thank you to the Singh (Leela), Johnson (Ellis), Konieczka (Shay), Perry (Jameson), Atzbach (Amelia), Yoon (Ellie), Martindale (Kyla), Fay (Hailey) & Summerson (Oliver) families for serving and cooking the community dinner in October. We served 35 people in need.

Thank you for your generous food donations for the Issaquah Food Bank on the Pumpkin Carving Nights. We collected 462 lbs. of food.

EASTSIDE BABY CORNER:

We collect items for Eastside Baby Corner at the school. If you have any new or gently used items to donate, you can drop them at the school and our volunteer will transport them to Eastside Baby Corner. They serve children up to 12 years of age. If you check out their website, you will find the top 10 list of needed items. **We still need a volunteer to transport these items.** Please call the office if you are interested. Thank you!
