### Partnerships With Parents (PP):

Check out the new "PP" link on our home page under News.  
[www.slckids.com](http://www.slckids.com)

### Pumpkin Carving Nights:

Please see page 2 for more information.

### Parent Helper Days:

Each month we have a parent helper day in your child's class. You will find the dates above and on your school calendar. If you are interested in being the parent helper in your child's class, please call the office.

### Jubilee Farm Field Trip:

We are so excited to be taking our first field trip to Jubilee Farm! Each class will be attending on a different day and time. Please see your teacher's newsletter for more detailed information. Make time to watch the farm video before you attend the field trip. It is an amazing story about Jubilee Farm and CSA (Community Supported Agriculture).

### Office Request:

Please write your child's full name on your tuition check if your child's last name differs from yours. By doing so, you will insure that the payment gets credited properly to your student's account. Thank you!

### Playdough:

We go through lots of playdough at preschool! We are looking for a parent volunteer who would like to help organize and manage playdough making for our classrooms. Please call the office if you would like to help.

### Driveway:

Sometimes it is necessary to get the children out of their car seats on the driver's side of the cars. For safety, please have your car in PARK while you are in the driveway and refrain from using your cell phone. We need everyone to be alert during this process.

Thank you!

### Community Dinner:

Issaquah Meals brings supper to the hungry, five nights a week in Issaquah. The program is a no questions asked service. Community groups comprised of volunteers from local schools, families and friends rotate each night serving the meal at the Community Hall, located between the Police and Fire Stations in Issaquah. SLC is committed to serving the 4th Monday of every other month. Our next service day is Monday, October 24th. Volunteers are needed to prepare and serve a meal for approximately 40 people. If you are interested in helping with the meal, please contact the office for more information.

The attached letter from a former parent tells about her experience in serving at the community dinner. We hope it is an inspiration to you!

### School Portraits:

School Portrait forms from Vakker Studios were sent home last week. If you would like a portrait of your child taken, please send in your completed form with a check made out to Vakker by Friday, September 30th. Photo days will be on October 13 & 14 at Sammamish Learning Center. Please call the office if you have any questions.
